

Look for *Northern Sunset Perennial* labels with the periwinkle blue background!

Full Shade Perennials are best suited for:

- Shade all day
- No direct sun
- Usually a northern exposure

## Full Shade Perennials

### Late Spring/ May

<i>Groundhugger</i>	<i>Small</i>	<i>Medium</i>
Convallaria majalis Galium odoratum * Hepatica acutiloba Lamiastrum g. Herman's Pride * Pachysandra procumbens Tiarella cordifolia Eco Rning Tapestry * Vinca minor *	Arisaema triphyllum Dicentra eximia * ☼ Podophyllum peltatum Stylophorum diphyllum * Tiarella x Crow Feather * Uvularia grandiflorum *	Polygonatum biflorum * P. o. Variegatum *
